KAPUTINE

The Safe Remedy.

KAPUTINE **is not** an aperient, and will cause you no inconvenience. Kaputine is a tiny, almost tasteless salmon-tinted powder, which acts solely upon the Nerves. It may be taken at any time, and in any way you please.

THE SAFE REMEDY.

Kaputine is the **safe** remedy for Headache and Neuralgia. Proof of this, and its superior and sterling qualities, is evidenced by the fact that Kaputine is the one and **only** preparation of its kind used in British and Foreign Hospitals and Infirmaries. Has been in use in these institutions for the past 14 years.

A TERRIBLE COUGH.

A TERRIBLE COUGH.

A TERRIBLE COUGH.

"94, Commercial Road, Peckham, July 12th.

"Dear Sir,—I am a poor hand at expressing my feelings, but I should like to thank you. Your Lozenges have done wonders in relieving my terrible cough. Since I had the operation of 'Tracheotomy' (the same as the late Emperor of Germany, and unlike him, thank God, I am still alive) performed at St. Bartholomew's Hospital, no one could possibly have had a more violent cough; it was so bad at times that it quite exhausted me. The mucous, which was very copious and hard, has been softened, and I have been able to get rid of it without difficulty.

"I am, sir, yours truly, J. HILL."

"Roath Park, Cardiff, South Wales, Sept. 28th, 1893.

"I have, indeed, great pleasure in adding my testimony to your excellent preparation of Cough Lozenges, and I have prescribed it now for the last eight years in my hospitals and private practice, and found it of great benefit. I often suffer from Chronic Bronchitis; your Lozenge is the only remedy which gives me immediate ease. Therefore I certainly and most strongly recommend your Lozenges to the public who may suffer from Catarrh, Bronchitis, Winter Cough, or any kind of Pulmonary Irritation.

"Yours truly, J. GABRIEL,

EVERYBODY KNOWS the great value of 'VASELINE'

in the household; but everybody does not know that the imitations of it, which some dishonourable dealers palm off on their customers, have little or no value. . . . What the public should understand is that there is no question of the comparative value of **'Vaseline'** and the imitations—they are **not** the 'same thing,' and are not made in the same way.

Besides this, many of the imitations are harmful, irritant, and not fit to use, while true **'Vaseline'** is perfectly harmless. Perfect safety, therefore, lies in buying the original packages of the manufacturers.

"THREE CROWNS BRAND"

Cod Liver Oil Cream

In this preparation the purest Norwegian Cod Liver Oil (so valuable for its power of fortifying the system against colds and coughs) is combined with Hypophosphites of Lime and Soda, which build up brain and bones.

The taste of the oil is entirely disguised, and the preparation is as palatable as cream. Children take it readily, and it will be found to agree with the most delicate stomach.

A BIRMINGHAM MOTHER writes:

To Messrs Hedges & Son,
Dear Sirs,

I write to tell you the great benefit my little boy has received by taking **"Three Crowns" Cod Liver Oil Cream** on several occasions. On one occasion he had pneumonia, and being very weak, I started giving him the Emulsion with marvellous results. He was then five years old, and now he is nearly seven, and I have never been without it since, as a dose or two does wonders for all kinds of coughs and colds. It is *not to be equalled*, and I have gained great benefit also myself.

ANOTHER'S TESTIMONY is as follows:

For the past three winters I have always kept a bottle of **"Three Crowns" Cod Liver Oil Cream** in the house, as I find it invaluable in toning up the system of my little girl (aged four). As a rule she has a dose each morning; but if she seems to have taken a chill, I give her three doses a day, and after a few days the cold is quite gone. I can thoroughly recommend the Cream to any one, with confidence of its good results.

The Originals may be seen if desired.

It is sold in Bottles, **1/-** and **1/9**
